SEYMOUR JOHNSON AIR FORCE BASE
Goldsboro, N. C.

This beautiful Chapel was dedicated 5 April, 1959

This is a lovely building at this base which has been all built since World War II ended. John flies from here in his jet (about 85 miles from Chapel Hill) and we watch all kinds of aircraft and visit stores, eat at the Officers Club - have retired. Now getting ready to return to Texas. A bit busy getting to finish & Christmas shopping. Love to you - Catherine
